Dear Colleague/Trainee

Combined Services Orthopaedic Meeting Friday 8 May 2009
Fort Blockhouse – Pandora Block

Thank you for confirming your attendance to the CSOS meeting. I enclose a copy of the proposed programme. **DONOT post this on Doctors net.**

As you will see Registration is between 0800-0845 in Pandora block, Fort Blockhouse. Due to the location of this year's meeting, Service personnel may be requested to escort Civilian attendees from the front gate of Blockhouse to Pandora Block. Your co-operation in this will be appreciated and I will speak to the trainees at the Instructional course the day before reference this tasking.

The IT security system for the MOD computer **DOES NOT** allow the use of memory sticks. ALL Presentations must be forwarded to me by Sunday 3 May 2009 so that they can be loaded onto the required system. You will then be able to check these on Thursday 7 May 2009 following the Instructional Course. These will be removed from the system following the meeting.

The cost to attend the meeting is £50 for the day and £25 for the dinner. Please make cheques payable to COMBINED SERVICES ORTHOPAEDIC SOCIETY. A receipt will be provided in order for claims to be made.

For your information if staying in Portsmouth, change will be required for the Gosport Ferry (£2.20 at the time of writing) which is a few metres from Portsmouth Harbour Train Station.

I look forward to seeing you at this year's meeting.

Yours faithfully

Sarah Stapley

Sarah Stapley
MB ChB FRCS (Tr& Orth) DM
Surgeon Commander, Royal Navy
Consultant in Orthopaedics and Trauma
For the CSOS

Combined Services Orthopaedic Society Meeting Scientific Programme:
Pandora Block, Fort Blockhouse
Friday 8 May 2009
